The State of California has enacted legislation that requires the consent of a minor's parent or guardian before a firearm, live ammunition, or even BB guns may be furnished to said minor. It is necessary for you to give consent for your child to participate in the above listed activities.

Transfer of firearms must be to a parent or guardian at least 18 years of age who can legally receive said firearm in the state of California. If the minor may legally shoot, but the parent is legally disqualified from ownership, please check this box [].
