 SPONSOR OPPORTUNITIES  
 ★ 1992 ★

Every 2012 Sponsor Weather Station, made by Legacy Quest Outdoors exclusively for Friends of NRA, has its own individual story. Legacy Quest Outdoors' products incorporate the use of 100% FSC Certified reclaimed wood materials blended with metal and authentic natural products to create a lifestyle of warmth, authenticity and a reverence for America's heritage-rich past.

Each Weather Station is hand-made in America, by Americans, and has a unique documented history of the wood's origin. The proud new owner can discover their piece's own story at [www.legacyquestoutdoors.com](http://www.legacyquestoutdoors.com) by entering a four digit code that is hand written on an insert card which is also signed and dated by the Master Craftsman that created it. Legacy Quest Outdoors' Pass It On® Program is committed to honoring the traditions of the past through the extensive use of America's reclaimed wood.
